Dear Sir / Madam

East Riding of Yorkshire Council - Contractor's Select Tender List

I refer to your recent resubmission to be included on the above list and can now advise that the Council's Safety Services Manager has considered the Safety Policy Document and is pleased to inform you that the Policy has been accepted.

Please find attached a Certificate of Safety Policy Acceptance onto the Safety Services Unit Contractor's Accepted Policies List. Subject to any review following any breach of health and safety matters, the Certificate is valid for a two-year period after which time you may be invited to submit your revised Safety Policy for re-vetting.

The authority has recently joined CHAS ( Contractors Health and Safety Assessment Scheme) and now accepts compliance on CHAS as a suitable standard for acceptance to its contractor Health and Safety accepted list. Therefore if you are compliant on CHAS then completion of the ERYC form may not be necessary in the future, just send us details.

If you should require any further assistance in this matter please contact me direct, on (01482) 391117.

Yours faithfully
