

## **HEALTH & SAFETY POLICY**

Transwaste Recycling and Aggregates Ltd will continue to resource our management system to meet the standards of OHAS 18001:2007.

Transwaste Recycling and Aggregates Ltd are committed to the prevention of injury and ill health and continual improvement to all its employees, contractors and other interested parties so far as reasonably practical.

We shall take steps to ensure the timely identification of hazards and will seek to provide safe plant and equipment, safe systems of work and adequate training, instruction and supervision of all employees including regular assessments of risks.

Transwaste Recycling and Aggregates Ltd are committed to implementing a framework which complies with applicable legal requirements and with other requirements to which relate to occupational health and safety hazards which shall be measurable and audited.

We shall make appropriate arrangements to ensure that all policies and codes of practice are up to date regarding both statutory and other obligations and the hazards likely to be associated with any of our activities.

This policy is maintained as documented information, is available to our interested parties and is communicated to all persons working under the control of Transwaste Recycling and Aggregates Ltd with the addition of each individual being made aware of their own obligations relating to occupational health and safety.

Transwaste Recycling and Aggregates Ltd will continue to support initiatives and programmes aimed at improving health and safety.

Mark Hornshaw  
Managing Director
